

NEW JERSEY LAW & ETHICS

BROUGHT TO YOU BY

The New Jersey Society of CPAs New Jersey Law and Ethics (2018-20) on-site course contains information to help guide accounting professionals in their choices and decision-making skills. This course will prepare participants to evaluate situations that call for judgement about laws, regulations and ethics issues.

Participants will earn four CPE credits in Professional Ethics (PE) to fulfill the mandatory requirement for the New Jersey triennial reporting period.

PENNSYLVANIA LICENSEES

This course will fulfill the recently enacted PA ethics requirement.

NEW YORK LICENSEES

If you have an active New Jersey CPA license, and your principal place of business is located outside New York State, this course will fulfill your New York ethics requirement.

TOPICS INCLUDE

- Authority of the State Board of Accountancy
- AICPA Code of Professional Conduct
- Continuing professional education requirements
- Detailed provisions of ethics rules
- Applying subject matter expertise to professional situations

PRICING

- \$50 per NJCPA member
- \$150 per NJCPA nonmember
- \$700 Instructor Fee (plus travel expenses)
