OVATION AWARD

2019 WOMAN TO WATCH

In recognition of exemplary efforts and stellar achievement in advancing New Jersey's accounting profession

JUNE TOTH, CPA

ZBT CERTIFIED PUBLIC ACCOUNTING & CONSULTING, LLC

June has become a resource for many NJCPA members, who consider her a sounding board on topics from accounting to overall life decision-making. Her involvement in various NJCPA committees and groups, and her ability to encourage others to be involved (and have fun while doing it), is a quality that everyone should aspire to have.
